

## ECTA RESPONSIBLE CARE TRAINING WORKSHOP

07.OCTOBER.2021

### COVID REGULATIONS

Dear Participant!

Your personal health is important to ECTA. In order to take the best care about you and your health in relation to Covid, ECTA wants to take some precautions for it's ECTA Responsible Care Training Workshop.

Next to the following rules, we ask you to inform yourself about the Regulations for and from your country for crossing the country borders and entering Belgium.

With the wish to hold a successful Training Workshop, every participant has the chance to decide whether to join physically or virtually (via an interactive Live-Stream).

Please note that the following regulations are strictly checked by the ECTA Team at the location:

- ✓ Joining physically with proof of 2 Covid vaccinations where the last vaccination happened at least 2 weeks before arrival. The EU vaccination certificate will be asked as proof before entering the RC training workshop. Without certificate we will ask you to join virtually.
- ✓ Wearing a face mask during meeting – exception at own seat

ECTA can confirm to you that the SHERATON Hotel is taking the best care about your health. Please find the regulations of the hotel here: <https://www.marriott.com/hotels/travel/brusi-sheraton-brussels-airport-hotel>

If you cannot fulfill the ECTA rules above or do not agree with these, we warmly invite you to join the virtual Livestream. Please check before departure you have all required documents and let us know about your decision to receive the Meeting link.

We thank you for your understanding and looking forward to a safe and successful Responsible Care Training Workshop.

Please contact [estelle.bauer@ecta.com](mailto:estelle.bauer@ecta.com) for any question.
